BSD CITY

Pugung Raharjo is an archaeological site located approximately 50 km from the provincial capital, Bandar Lampung. The site boasts substantial megalithic and prehistoric remains dating from the 12th to 16th century AD. Pugung Raharjo was occupied from the 12th to 16th century. Based on research, the area was strongly under the influence of the Palembang-based Sriwijaya Empire. Finds of beads and Chinese porcelain indicate that the people of the area were also linked to international trade networks which visited the nearby Sunda Strait
